Friends,

It's time once again to team up and tee off! United Way of the Great River Region is gearing up for its annual Golf Outing. Join us on Friday, May 6, 2022 at Sheaffer Memorial Golf Park in Fort Madison, Iowa to kick off your summer! The Golf Outing provides support for our annual giving campaign as well as our other United Way programs. With the combined support of the Golf Outing and our annual giving campaign, we will be able to continue providing funding for our 21 partner agencies and support other United Way projects and programs. These agencies and programs assist our friends, neighbors, and families in the tri-state area.

There are several ways you can help. ***Become a Corporate Sponsor or Hospitality Sponsor. Put together and sponsor a team. How about becoming a hole sponsor? Why not do a combination of sponsorships? We would love to have you donate an item for one of our amazing gift baskets to be auctioned off.*** I have included a sponsorship form and a team registration form. If you have any questions or other ideas on how your business could participate, please call, or email me. A United Way of the Great River Region Golf Outing committee member will be contacting you in the next couple of weeks. Thank you for all your support!

Sincerely,

Karen Siefken  
Executive Director
